Praise for Finns first book, Finn And The Magic Chest - Fantastic Finn. . . This story is so cute and brought back memories of when I was young and imagined I was a superhero or secret agent. Children will love the graphics and the great story when Finn visits his grandparents and the many adventures he can have with dressing up and the magic chest. Cute story for young to read. Good book for teaching children about imagination too. Pictures are simple, but cute. Worth buying. I loved the magical story and the illustrations. This is one of those lovely stories that can and will be read again and again. It is a terrific, creative story that my grandchildren and I just love. What child could hear this story and not have sweet dreams We cant wait to read about more of Finns magical adventures. Super job! Meet Finn a little boy who just loves dressing up and having adventures. But little does Finn know, that dressing up can bring him a world of real life adventures. The day he comes across a magic chest in his grandfathers attic. In Finns third book Fabulous Finn, youre about to discover the fun and adventure Finn had, when he put on a scout costume.
