Random House Australia, Australia, 2010. Hardback. Book Condition: New. 252 x 192 mm. Language: English . Brand New Book. Since taking out the coveted title of Australia's first MasterChef, Julie Goodwin has been cooking, testing and writing away like mad, preparing to publish her first cookbook. Some recipes are heirlooms passed down in Julie's family through generations, while others were given to her by friends and neighbours. There are lazy weekend breakfasts to enjoy with the family, weekday and special occasion dinners, barbecue and camp cooking, and cakes, biscuits and puddings galore. Julie also includes recipes she created on MasterChef, such as her now-famous lemon diva cupcakes and passionfruit puddle pie. The final section of the book is Julie's favourite: a beautifully designed blank chapter with pages for the reader's own photos, clippings and hand-me-down handwritten recipes from family and friends.
