Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Eleven-year-old Kelly Birdie Knotts has the perfect summer vacation planned: she's finally going to visit her dad, Arthur. Birdie hardly knows him, but she has high hopes that he'll be the one family member who understands her. Too bad her vacation is nothing like she imagined it would be. Arthur's plans for their father-daughter visit revolve around a video game convention, where he dresses head-to-toe in costume and makes a boisterous scene every chance he gets. When he isn't shouting gleefully in the hallways, he's belting out off-pitch tunes in the karaoke room. Birdie's new plan? Hide under a rock for life. It's impossible for Birdie to get to know Arthur when he insists that he's a video game character. And if he doesn't step up and start acting like a dad, it might be game over.
