Random House USA Inc, United States, 2000. Paperback. Book Condition: New. 2000 ed.. 205 x 134 mm. Language: English . Brand New Book. Millions of Americans are finding it more and more difficult to apply the traditional demands of organized religion to their lives, and yet a complete absence of spirituality leaves them uneasy. Working on God is a book for and about such intelligent, independent people, who are seeking to reconcile their spiritual yearnings with their skeptical intellects. Winifred Gallagher, a behavioral-science reporter, began her investigation of religion in our postmodern age with research and interviews and soon discovered a vast, quiet revolution under way among ordinary men and women grappling with the sacred. Both Gallagher s brilliant journalistic inquiry and her very personal journey unfold over time spent in a Zen monastery and a cloistered convent, in small-group discussions and healing rituals, in a Conservative synagogue that shares spaces with a Christian church, and in the birthplace of the New Age. Written with humor, empathy, and a rigorous curiosity, Working on God breaks new ground in depicting the broad-based spiritual movement that is transforming many lives.
