Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What is the Kingdom of God? What does it mean to be part of the kingdom? These are questions that should occupy the mind of every Christian. But we frequently shy away from the full meaning of God s rule.In Christian Archy, Dr. David Alan Black examines the New Testament to find the truly radical and all-encompassing claims of God s kingdom. In doing so, he discovers that the character of this kingdom is widely different from what is commonly contemplated today. Its glory is revealed only through suffering - a point that Jesus disciples, then and now, have been slow to understand. This truth has tremendous implications for church life. The kingdom of God is in no way imperialistic. It has no political ambitions. It conquers not by force but by love. It is this humble characteristic of the kingdom that is a stumbling block to so many today. Christ s claim to our total allegiance is one we seek to avoid at all costs. But there is only one way to victory and peace, and that way is the way of the Lamb.This is the first volume in the new Areopagus Critical Christian Issues Series from Energion Publications. We believe it is an appropriate way to begin that series by addressing this foundational question of who we are as part of the Christian church, and why it is important for us to immerse ourselves in God s word.
