No matter the industry, employees now routinely travel to other countries or interact with foreign customers, vendors, or fellow employees. Or they conduct business over the phone, via e-mail, or through video links. Chapters contain both practical tips and illustrative examples, and the book concludes with a listing of resources (books, magazines, organizations, and Web sites) for additional information. In addition, *Passport to Success* contains useful overview material that will help business people plan a trip abroad or a campaign to win customers in another country. Besides trade statistics and information on global trade agreements, readers will find information on using the Internet productively to conduct or seek business, how women can succeed in countries with traditional, male-oriented business cultures, how to build cross-cultural relationships, and ways language can enhance—or obstruct—business dealings. Every businessperson is now a player in the global market for goods and...
