Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Christian Union Necessary for Religious Progress and Defense The following Address was largely prepared away from my library, during a brief summering at Schwalbach, Germany. It was subjected to the conditions of the main public sessions of the Evangelical Alliance, and needed, therefore, to be delivered in the German language, with much matter, originally designed for delivery, omitted. The whole Address has in this new shape undergone careful revision important parts have been added to the text, and such full foot-notes and references have been given as one has facility and the heart to do when he is within arm s length of his own books. The accounts of the Young Men s Christian Associations and of the Free Religion Conference have been given here in much fuller form than when originally prepared for use at Basle.
