*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

This early work by Lucy Maud Montgomery was originally published in 1933 and we are now republishing it with a brand new introductory biography. Pat of Silver Bush tells the tale of Pat's first romance and the wonders of friendship. Lucy Maud Montgomery was born on 30th November 1874, New London, in the Canadian province of Prince Edward Island. In 1908 Montgomery produced her first full-length novel, titled Anne of Green Gables. It was an instant success, and following it up with several sequels, Montgomery became a regular on the best-seller list and an international household name.
