A room is unearthed, revealing artwork, rare books, cases of wine, a chest of jewelry . . . and a perfectly mummified body. A closer examination of the murdered man's possessions reveals a valuable first edition of Jules Verne's *A Journey to the Center of the Earth* containing a secret treasure map. Word of the explosive find draws in reporters, art appraisers, and questions. After a new presence threatens the town's peace, it's clear that not all crime is buried in the past. So Brooklyn decides to do a little excavating of her own and solve the mystery of the treasure before anyone else is written off. . . .
