Plume Books. Paperback / softback. Book Condition: new. BRAND NEW, Her Majesty's Spymaster: Elizabeth I, Sir Francis Walsingham, and the Birth of Modern Espionage (annotated edition), Stephen Budiansky, Queen Elizabeth I and Englandas First Spymaster Sir Francis Walsinghamas official title was principal secretary to Queen Elizabeth I, but in fact this pious, tight-lipped Puritan was Englandas first spymaster. A ruthless, fiercely loyal civil servant, Walsingham worked brilliantly behind the scenes to foil Elizabethas rival Mary Queen of Scots and outwit Catholic Spain and France, which had arrayed their forces behind her. Though he cut an incongruous figure in Elizabethas worldly court, Walsingham managed to win the trust of key players like William Cecil and the Earl of Leicester before launching his own secret campaign against the queenas enemies. Covert operations were Walsinghamas genius; he pioneered techniques for exploiting double agents, spreading disinformation, and deciphering codes with the latest code-breaking science that remain staples of international espionage.
