If you are in the process of writing a book, or if you re considering it, there are dozens of things you won t know - and that you should. What I want to do here is share about my experience over about fifteen years of writing my first novels, and the years of publishing and marketing them, so you might get a jump on what s in store. Here are some chapter headings to give you an idea of what s in the book. \* Self-Editing \* Why Would Your Book Get Noticed? \* Publishing \* Marketing and Selling \* About Your Website \* Read It Like An Agent/Publisher Maybe you ve been doing this for a while now and know a lot about these items. I didn t - and got caught trying to find answers and find my way through the maze after I started. I m not the expert, but maybe what I have to share with you will save you a lot of the grief I had.
