Stackpole. 1 Cloth(s), 2002. hard. Book Condition: New. "The 17 stylish essays in this anthology bring wit and insight to bear on the intriguing paradox that fishing, despite bucolic associations, is a growing part of urban culture. Such well-known fishing writers as Jerry Dennis, Nick Lyons, and James Prosek, along with literary stars Ian Frazier and Pete Fromm and 12 others, muse on the experiences of angling in such citified climes as Paris, Tokyo, London, San Francisco, and New York. Other not exactly urban but certainly nontraditional fishing venues discussed here include Niagara Falls and the fountain at a Georgia junior college. Throughout, the essays engage the reader with both their original subject matter and the variety of entertaining and enlightening writing styles, from high comedy to poetic reflection."Booklist 192.
