This is a collection of 75 startlingly honest real-life stories by 42 writers representing various age groups, diverse backgrounds and different parts of the world. These are stories of hope. For example, a California mother (and part-time lawyer) shares her heartfelt story about raising an autistic child and how that experience brought fulfillment, love and gratitude. A teacher in Dubai describes how her bucket-list adventures opened up fascinating opportunities to learn and discover. A New Brunswick mariner explains why his secret to a happy marriage is a pair of rocking chairs and two good quilts. A retirement coach from the United Kingdom explores a common question facing retirees: What will I do with the rest of my life? A sixteen-year-old student in Tokyo rallies people to provide aid to a small fishing village affected by the Tohoku Earthquake disaster. And, a South African-born artist describes a disconcerting experience walking along Beggars Road in India as the impoverished hopefuls line a dirt road for three kilometres waiting for the generosity of strangers. The stories are as varied and far-reaching as life itself. They stir the imagination, summon your courage and invite reflection. They speak to your inner voice. They inspire hope. Few things are more essential to living a fulfilling life than hope. Hope creates engagement, positive behavior and resilience. Hope gives you the strength to face any challenge that life puts before you. Yet, in today's world, it's a life-sustaining resource in short supply. **Inspiring Hope: One Story at a Time** is the kind of book you'll want to read and re-read, first for your favorite stories and then to discover new ones. It is a book to be shared...
