Agile Exposed - Blowing the Whistle on Agile Hype. an Overview of Agile, Where It Came from and the Principles That Make It Work.

By Barry Evans

Code Green Publishing. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 7.8in. x 5.0in. x 0.5in.Agile is becoming a dirty word because of the way it is being marketed, implemented, over-simplified and misrepresented. Step by step guides and quick fix recipes are of limited use. It is better to free yourself and your projects by learning how to connect the underlying principles to what you want to achieve. Knowing what projects need and why Agile works will help you understand where and how to apply these principles and what to expect. This book explains why Agile was introduced and how the underlying principles and ideas are still relevant. It reviews Agile methods and advises how to take a pragmatic approach to them as a programmer, a project manager and a business stakeholder. If you want to know what Agile really is and how to understand its capabilities - from someone who has implemented and used Agile successfully as a programmer, manager and coach in both small and very large companies - then read this book. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.
-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
