Reviews

It is one of the best books. Indeed, it really is playful, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Sofia Yundt)

THE CORPSE POSE

[DOWNLOAD](#)

Red Hen Press, United States, 2016. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. The Corpse Pose by Erik Campbell is a collection that chronicles one man s sometimes messy, simultaneously candid and sardonic (and consequentially human) meanderings from the jungles of Papua, Indonesia to the deserts of Phoenix, Arizona, from a 15-year marriage to infidelity and divorce, from answers to errors both redemptive and destructive. The Corpse Pose is a lyrical fusion of biography and polemic. Variegated in theme as in its geography, it is a work about magic and loss, about maps and legends, the mutability of memory and desire, but it is ultimately a treatise on how we are each other s human credentials.
